***Coverage and Speeds:** Customers require a 4G (LTE 1800/850 MHz) or 5G enabled device to use within our coverage areas, as applicable. See tpg.com.au/mobile/coverage for further information. Mobile Data is capped to a maximum speed of 150Mbps or 250Mbps (depending on your chosen plan). These speeds are maximum potential speeds that you may get access to and the speed you experience may be slower. Actual coverage areas and network speeds vary due to factors such as your device, location, available bandwidth, and source of download.

Payments: All TPG mobile plans are prepaid and automatically renew every month until you cancel. Recurring charges are payable monthly in advance, seven days before the start of the next billing cycle. In addition, you have the option to make additional prepayment for usage that is not within the included value of the plan that you have acquired (Prepaid Balance). If there are insufficient funds in your Prepaid Balance for a particular excluded usage, you will not be able to make that usage. Prepayments can be made during registration or after activation via the My Account section of the TPG website. If you choose to make additional prepayment, the amount will be debited from your nominated bank account or credit card. If you do not use the prepayment, it will be forfeited to us when you cancel the service. Apart from the invoice issued at signup (if applicable), subsequent invoices will be issued seven days prior to the end of your billing cycle. You agree that your bank account will be direct debited or a charge to your credit card will occur even though you may not have had the opportunity to check all applicable charges before the debit.

Unlimited Usage: Any Unlimited Usage provided is only for use in Australia. TPG's Standard Terms and Conditions applies to use of Plan inclusions. This includes the use of 'Unlimited' offerings. Head to tpg.com.au/terms_conditions

Data: These plans have a specified amount of Included Data each monthly billing cycle. If at any time in a billing cycle you use up the amount of Included Data, we will charge \$10 out of your Prepaid Balance to increase the amount of Included Data available in that billing cycle by 2GB. If there are insufficient funds in your Prepaid Balance, mobile data will be unavailable until your Prepaid Balance is topped up or until your next billing cycle commences.

Excluded Usage: These plans exclude Extra Data, Calls and SMS to Standard International Numbers (outside of the international call and SMS inclusions to 31 countries listed in the table above), MMS to International numbers, Calls to Satellite phones, Third Party Content, International Roaming, Directory Assistance, and other Enhanced Services. Video Calls to Standard Australian and International Numbers, Diversion to International Numbers, Premium SMS/MMS, and Calls and SMS to 19 Numbers are not available.

Personal, non-commercial use only: All TPG Mobile plans are for personal use only and may not be used for commercial purposes or in a manner that may adversely affect the mobile network. In particular, the services may not be used for wholesaling, reselling, refilling, SIM boxing or any other commercial purpose. If TPG reasonably believes that you are using the service for commercial purposes in breach of this clause, or in a manner that may adversely affect the mobile network, TPG may immediately suspend the mobile service and may provide 24 hours' notice of termination of the mobile service.

Mobile Plan Terms – Plan Brochure

1. Mobile plans are supplied by TPG Internet Pty Ltd (ACN 068 383 737) under the terms of the Standard Terms and Conditions and the Mobile Service Description and Terms (documents available at www.tpg.com.au/terms_conditions).
2. During the application process, we will debit your bank account or credit card for the first month's minimum monthly recurring charge (less applicable discounts). We will then send an account number to your nominated email address which you must use to login to the "My Account" section of our website to activate the Physical SIM or eSIM associated with your Mobile Service. Your billing month will commence on the date your Mobile Service is activated. If you do not activate a Physical SIM within 120 days of your order being accepted (within 30 days for eSIM orders), your application will be cancelled.
3. You must call Customer Support to cancel the mobile service. If you have not given us prior notice of termination, we will debit the next month's recurring charges seven days prior to the commencement of the next billing month. Subject to your consumer law rights, if you cancel your mobile plan part way through your billing cycle you won't receive a refund of your plan fees for a partial period or for any unused Prepaid Balance.
4. Payments: All TPG services are prepaid. You must pay the monthly recurring charges in advance. Apart from the invoice issued at signup (if applicable), subsequent invoices will be issued seven days prior to the end of your billing cycle. You agree that your bank account will be direct debited or a charge to your credit card will occur even though you may not have had the opportunity to check all applicable charges before the debit. In addition, you have the option to make additional prepayment for usage that is not within the included value for the plan that you have acquired (Prepaid Balance). If there are insufficient funds in your Prepaid Balance for a particular excluded usage, you will not be able to make that usage. Prepayments can be made during registration or after activation via the My Account section of the TPG website. If you choose to make additional prepayment, the amount will be debited from your nominated bank account or credit card. If you do not use the prepayment, it will be forfeited to us when you cancel the service.
5. If the direct debit of your credit card or bank account for the next billing month (monthly recurring charges) fails, then the mobile service will be suspended if the invoice has not been paid by the end of the current billing month.
6. If you wish to upgrade or downgrade to a different mobile plan, there is no charge for this but the change may only come into effect at the start of the next billing month (provided that the invoice for your next billing month has not been issued).
7. If you need a new phone number because you have received calls of a harassing nature and you reported the matter to the relevant law enforcement agency, we will supply you with a new phone number free of charge.
8. Premium SMS and Premium MMS services are not available.
9. Customers require a 4G (LTE 1800/850 MHz) or 5G enabled device to use within our coverage areas, as applicable. The device must be unlocked for use on the Vodafone mobile network.
10. We will send you messages about your usage during the month and you can check your usage online. Generally, usage records will be available online within 30 minutes of the usage event but records of some events, particularly international roaming events, may not be available until 48 hours after the usage event. You remain liable for such usage events even if these usage records are delayed.
11. Services are available to approved customers only on direct debit/credit card. Payment by American Express and Diners Club will incur a surcharge of 3.02% and 2.75% (incl. GST) respectively.
12. Collection Notice: During your application for a TPG service, you provided personal information to TPG Network Pty Ltd. We collect your personal information to enable us to supply, support, bill and otherwise manage services that you (or a person/company with whom you are associated) acquire or wish to acquire. Without your personal information we will not be able to supply those services. The personal information you provide by completing these fields will not usually be disclosed to anyone else. Our privacy policy contains information about how we may use your personal information, how you may access your personal information and seek correction of such information, as well as how to complain about a breach of the Australian Privacy Principles and how we will deal with such a complaint.
